# Mid Florida Auto Show & Lake Mirror Concours 2018 (formerly Lake Mirror Classic)

**REMINDER**  
**Entry fee goes up after 8/31**

Registration is now open for the Auto Show held annually in Lakeland, Florida. Every year for the past 18 years we have seen this show grow from it's beginnings of a handfull of car enthusiasts to what is now over 600 cars in the downtown area along with several hundred of the best classics, muscle cars, and Concours vehicles in the Southeast.

Each year we have a pretty good showing at the Lakeland event with anywhere from 20 to 25 Cobras lined up along Lemon Avenue in downtown. We are fortunate to get this shady spot for our Cobras! On Sunday they have a cruise to a surprise lunch destination which you can register to participate in. All profits go to local charities.

All of this is happening October 19, 20 and 21. Which is the weekend before our Annual Reptile Roundup being held in Melbourne Florida area the following weekend. If you are planning to attend the Reptile Roundup, this is a great opportunity to make a mini vacation and participate in both while you are in Florida. If we get enough participation, we can plan a gathering for either Saturday night or Sunday evening.

Registration for this year's Lakeland event is available online at [midfloridaautoshow.com](http://midfloridaautoshow.com). Please let us know if you are attending this year by contacting Mike Cheek at [mcheek1050@gmail.com](mailto:mcheek1050@gmail.com).

Several members have expressed interest in a get together after the Saturday show. At this time we are planning to meet at Ford's Garage for a early dinner in Lakeland.
